Job Description

Location: Saudi Arabia Company: FWO – https://fwo.sa/ Apply Now: https://lnkd.in/diwMNB4h

Job Description:

We are hiring skilled Duct Men experienced in installing, fabricating, and maintaining HVAC ducting systems for commercial, industrial, and residential projects. The ideal candidate must be able to interpret HVAC drawings and ensure high-quality installation of GI and PI ducts.

Responsibilities:

• Fabricate and install GI, PI, and flexible ducts as per project specifications
• Read and interpret HVAC layout drawings and schematics
• Perform duct cutting, measuring, bending, and fitting
• Install duct accessories (dampers, diffusers, grills, hangers, supports)
• Seal duct joints to ensure air-tight systems
• Coordinate with HVAC technicians and site engineers
• Follow safety standards and ensure neat and efficient installations

Requirements:

• Minimum 3+ years of experience as a Duct Man/HVAC Installer
• Ability to read HVAC drawings and work independently
• Skilled in duct fabrication and on-site fitting
• Familiarity with various duct materials and accessories
• Physically fit and comfortable with site conditions
• Transferable Iqama preferred
