Job Description

Location: Saudi Arabia **Company:** FWO – https://fwo.sa/ **Apply Now:** https://lnkd.in/diwMNB4h

Job Description:

We are hiring skilled Pipe Fitters experienced in chilled water and fire-fighting piping systems for major construction and infrastructure projects. Candidates must be capable of reading piping drawings and executing tasks accurately.

Responsibilities:

• Install, assemble, and maintain chilled and fire piping systems
• Read and interpret isometric drawings and piping layouts
• Perform measuring, cutting, threading, grooving, and welding of pipes
• Conduct pressure tests and ensure leak-free systems
• Follow safety procedures and comply with quality standards

Requirements:

• Minimum 3+ years of experience in chilled/fire piping systems
• Knowledge of NFPA and mechanical installation procedures
• Ability to work independently and in a team
• Transferable Iqama preferred
